

New Hours

All Clerks' Offices

8 AM to 3 PM Daily

Effective February 1, 2010

All Other Court Operations, Including, Courtrooms; Jury Commissioner's Office; Judge Chambers; and Self Help Center Will Operate from 8 AM to 5 PM as Normal

New hours are the result of continuing statewide budget reductions of California's trial courts. These new hours are in addition to statewide court closures the third Wednesday of each month through June 2010.

Please use designated drop boxes for filing papers with the clerk's office after 3 PM. Papers deposited in drop boxes between 3PM and 5PM will be file stamped that day. Papers deposited after 5PM or on court holidays are file stamped for the next day that court is open for business.
